FOR FINANCIAL
OPERATIONS

BE BOUNDLESS

FOR WASHINGTON

FOR THE WORLD

The University of Washington-Finance, Planning & Budgeting is seeking applications for a Vice President for Financial Operations

ABOUT THE POSITION

Reporting to the Senior Vice President for Finance, Planning & Budgeting/Chief Financial Officer, the VPFO is a senior leader responsible for overseeing the University's core financial operations and ensuring the integrity, effectiveness, and continuous improvement of enterprise financial services.

The VPFO provides leadership for the University Controller's Office, Treasury, Research Compliance & Operations (post-award sponsored programs), and Management Accounting & Analysis. This role partners closely with executive leadership to support institutional strategy, financial sustainability, and operational excellence across a complex, decentralized environment. This is an exceptional opportunity to contribute to the financial stewardship and strategic direction of a leading public research university.

ABOUT THE UNIVERSITY OF WASHINGTON

Founded in 1861, the University of Washington (UW) is a leading public research university located in Seattle, Washington, with additional campuses in Bothell and Tacoma, as well as a world-class medical center serving the state and the region. Each year, the UW inspires more than 60,000 students to learn from renowned experts in their fields. As a "best buy" public university, our goal is to make higher education accessible for all.

Mission and Vision

UW is dedicated to the advancement of knowledge and the betterment of society. Its mission focuses on fostering discovery, enhancing lives, and cultivating leaders equipped to address the challenges of a complex, interconnected world.

Endowment & Financial Health

UW's endowment totals nearly \$6 billion, supporting extensive research, student aid, and strategic initiatives.

Academic Excellence

UW offers over 480 degree programs spread across 16 colleges and schools, covering areas such as computer science, engineering, business, medicine, law, public health, data science, and more. Its rigorous academic standards and innovative learning environment attract top students globally.

Research Leadership

UW has been recognized as the #1 most innovative public university in the world and is consistently ranked among the top public universities in the world. The UW receives more federal research dollars than any other U.S. public university and has been home to 8 Nobel Prize winners; 17 MacArthur Fellows; 189 members of the National Academies of Sciences, Engineering, and Medicine; and 193 fellows in the American Association for the Advancement of Science.

UW Medicine

UW Medicine provides comprehensive, state-of-the-art, compassionate care by bringing together a top-rated medical school, an internationally recognized research organization and a large network of medical providers and facilities across the region.

We're committed to excellence in training the next generation of health professionals and researchers. And with over 1.6 million patient visits and \$729 million in uncompensated care for low-income patients in need in 2021, we are dedicated to the health and well-being of Washingtonians statewide.
